

Events people **remember.** **Delivering** clients trust.

Conferences, Meetings, Trade shows, Exhibitions, Galas, Dinners
and Private events planned as one seamless experience.

One partner from first idea to final guest

GDC is an events company built for clients who want strong creative thinking and dependable delivery.

We turn an event brief into a complete audience experience.

Our team connects concept, Stage production, Event execution, Delegate registration & management and on-site coordination around one clear plan.

CLEAR OWNERSHIP

One accountable team coordinates every moving part.

AUDIENCE EXPERIENCE

Every touchpoint supports how guests arrive, engage and remember.

DELIVERY DISCIPLINE

Timelines, budgets, and approvals stay visible.

Events shaped around the purpose

The format changes. Our focus on the audience, the brand and reliable execution stays constant.

01

Conferences & Meetings

Event and stage setup Plenary sessions, breakouts, speakers, interpretation and delegate flow.

02

Exhibitions & Trade shows

Booth environments, exhibitor support, visitor journeys and on-site operations.

03

Galas & Dinners

Awards, launches and milestone celebrations with polished show production.

04

Private events

Personal celebrations delivered with discretion and close attention to detail.

Need a hybrid format?

We combine elements to suit your audience, venue and objective.

A conference should feel effortless to the guest.

We build the system behind that experience.

- Programme and speaker coordination
- Registration and delegate management
- Stage, sound, screens and livestreaming
- Interpretation and accessibility support
- Branding, content capture and reporting
- Photography and Videography

Exhibitions & Trade shows, that make the brand easy to find

We plan the space, the visitor journey and the operating detail behind a confident presence.

01 **DESIGN** Stand concept, brand application, graphics, signage and visitor touchpoints.

02 **BUILD** Fabrication, installation, lighting, screens, furniture and finishing.

03 **OPERATE** Exhibitor liaison, staffing, stock, demonstrations, leads and daily checks.

04 **CLOSE** Breakdown, venue handover, asset storage and post-event review.

Result: a branded environment that supports conversations, demonstrations and lead capture.

GALAS + DINNERS

An evening that carries the right tone from arrival to close.

- Creative theme and room styling
- Guest list, seating and protocol
- Run of show, speeches and awards
- Entertainment, lighting and sound
- Hospitality coordination and discreet close-out
- Photography and Videography

Formal when it needs to be. Warm where it matters.

Private events with a personal point of view

The brief begins with the people being celebrated, then every detail follows.

Your priorities stay private, clear and protected.

We manage the guest experience and coordination with discretion.

Choose the partnership that fits your team

GDC can lead the entire event or strengthen a specific part of your delivery team.

A

Full-service partner

GDC owns planning and delivery from concept to close. Best for clients who want one accountable lead across the full event.

B

Production partner

Your team retains the programme or creative lead while GDC manages the execution, technical production, logistics and live operations.

C

Event calendar partner

We plan and deliver a series of events under one operating approach, helping your team improve consistency and efficiency over time.

Each engagement starts with a defined scope, responsibilities, approval process, budget and success measures.

Recent work shows the breadth of GDC's delivery.

AKEFEMA FEEDS EXHIBITION + CONFERENCE

Safari Park Hotel, Nairobi

GDC transformed the venue into an exhibition and conference environment for regional industry stakeholders.

- Custom exhibition booths, stage sets and branded touchpoints
- AV production across plenary and breakout sessions
- Delegate flow, protocol, media relations and event communications

EAST AFRICA CEO + INVESTMENT FORUM 2026

Safari Park Hotel, Nairobi

GDC managed the technical production for an executive forum bringing together regional leaders and investors.

- Multi-microphone sound reinforcement and audio engineering
- Stage and ambient lighting for panels, photography and broadcast
- High-definition screens for presentations, graphics and live feeds

What clients gain from working with GDC

A partner who protects the idea while managing the detail required to deliver it.

1

ONE ACCOUNTABLE TEAM

Fewer hand-offs and clearer responsibility from planning through live delivery.

2

A PLAN BUILT FOR THE BRIEF

The set up and production choices follow your audience and objective.

3

VISIBLE CONTROL

Timelines, costs, approvals, risks and changes remain easy to track.

4

ONE CONNECTED EXPERIENCE

Creative, production and guest management reinforce the same event purpose.

5

USEFUL CLOSE-OUT

You receive a clear view of performance, lessons and next actions.

Clientelle we have worked with

Bring us the brief. We'll build the event around it.

To start, share five things:

- Event type
- Preferred date/confirmed date
- Audience and expected attendance
- Location or venue status
- What success should look like to you
- Budget range and decision timeline
